Specialised fixings for mounting brackets will be required in certain situations and are not provided as standard. • Steel items are not recommended for damp conditions such as shower rooms.
Crystal finials and acrylic poles should not be positioned in direct sunlight, and are not suitable for use in conservatories. • Brass items are supplied unlacquered and will tarnish over time.

The Bradley Collection reserves the right to modify design and materials without prior notice as part of a process of continual product improvement.
Due to printing limitations, colours in this brochure may not be accurate.

Products are protected by Design Rights, under provisions of Copyright, Designs & Patents Act 1988.

Bradley®, The Bradley Collection® and  Logo are registered Community trademarks of The Bradley Collection Ltd. in Europe and registered trademarks of the Bradley Collection, Inc. in the USA.

the **bradley** collection

the Bradley Collection reflects the pursuit of true perfection.

the Bradley experience is truly bespoke; custom design services delivered with a smile; hand-crafting and tailoring of gorgeous artifacts; and uncompromising engineering to create a lifetime of use and pleasure.

The Bradley Collection - so much more than just beautiful products.

design

"For me, design is everything. clarity of purpose and simplicity of line. purity of form, obsessive attention to detail. I strive for perfection."

Russella Bradley

made in suffolk

The Bradley Collection celebrates the skills of the artisans of suffolk, a county famous for its blacksmithing traditions.

inspired by the idyllic landscape and historical architecture of suffolk, The Bradley Collection has added sophistication of design to rustic hand-crafting traditions.

the results are as sublime as the landscape itself.

works of art lovingly created
in suffolk, england

manufacturing

bar bending

As a crucial element of its custom services, The Bradley Collection offers precise and accurate bends in most hardware types and materials.

custom making

The Bradley Collection offers true custom services, ranging from special bracket projections through to bespoke decorative hardware projects.

finishing

coating

a wide palette of finishes ranging from matt solids, eggshells & glossy metallics through to our traditional steel tones.

plating

our plated finishes provide a touch of glamour & luxury.

custom finishing

for an individual solution, choose from over 200 special finish options from our colour selector.

hand painting

hand painted finishes can be specified across all collections, whether wood or metal.

technology

The Bradley Collection is harnessing digital technology to simplify and improve the process of specifying drapery hardware.
