## The Tiara Collection

Byron & Byron brings you The Tiara Collection. A unique collection that has been developed using contemporary metallic finishes applied to wood, highlighted with crystals to bring you elegance with a touch of magic. Each piece is hand-crafted, finely finished by experienced craftsmen and produced using the finest timbers.

The collection incorporates a range of Tie-backs, designed to co-ordinate the simple, yet wonderfully contemporary range. Also available are traditional wooden hold-backs in co-ordinating colours, along with a range of bracket options that will cater for the complexity of any window setting. And just in case you need it, there is also an option of a curtain draw rod.

This imaginative and beautiful collection will bring a truly stunning finish to any room, timeless elegance with a touch of decadence.....
