end cap - metal pole

end cap - wood pole

simple collection

disc

available diameters:
 ø50mm (2") • 63mm (2½")

ball

available diameters:
 ø50mm (2") • 63mm (2½")

crystal ball

available diameters:
 ø50mm (2") • 63mm (2½")

elysian collection

halo

available diameters:
 ø50mm (2") • 63mm (2½")

globe

available diameters:
 ø50mm (2") • 63mm (2½")

crystal globe

available diameters:
 ø50mm (2") • 63mm (2½")

urn

available diameters:
 ø50mm (2") • 63mm (2½")

templar

available diameters:
 ø50mm (2") • 63mm (2½")

crystal templar

available diameters:
 ø50mm (2") • 63mm (2½")

brackets

single brackets - metal pole

side

mid

ø50mm (2") • 63mm (2½") projection to pole centre : min. 96mm (3¾")
 max. 120mm (4¾")
 projection to track centre : 17mm (11/16") behind pole centre

- wood pole

side

mid

ø63mm (2½") projection to pole centre : 100mm (4")
 projection to track centre : 17mm (11/16") behind pole centre

ceiling brackets - metal pole

ceiling

ø50mm (2") • 63mm (2½") drop to pole centre : 100mm (4")
 projection to track centre : 17mm (11/16") behind pole centre

- wood pole

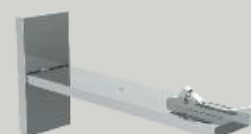

ceiling

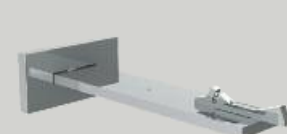

ø63mm (2½") drop to pole centre : 100mm (4")
 projection to track centre : 17mm (11/16") behind pole centre

double brackets - metal pole

side

mid

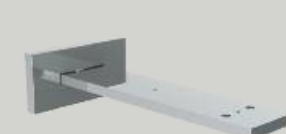

ø50mm (2") • 63mm (2½") projection to pole centre : min. 196mm (7 11/16")
 max. 220mm (8 11/16")
 projection to track centre : 17mm (11/16") behind pole centre
 projection to back track centre : 100mm (4")

- wood pole

side

mid

ø63mm (2½") projection to front pole centre : 200mm (8")
 projection to track centre : 17mm (11/16") behind pole centre
 projection to back track centre : 100mm (4")
